

New office for DCA Kabul

After having resided for many years in Kart-e-Parwan, for safety reasons DCA had to look out for another location for its main office in Kabul. Recently an excellent new office building was found in Kart-e Se, and in June 2014 all Kabul DCA staff moved to the new location.

A major operation, but very well organized by Mr. Qudratullah Haidarzai, our Senior Administration Manager. The new office is nice and spacious, and located in a secure quarter with lots of green, so really a change for the better compared to the previous office.

The address of the new DCA office location in Kabul is:

DCA Headquarters Afghanistan
Road 5 of Syloo
House Numbers 152 and 153
District 3
Opposite Karwan University
KABUL
